Nandyal, Andhra Pradesh, 518510

---

## Objective:

Energetic and detail-oriented Front-End Developer with a strong foundation in React.js, JavaScript, and responsive web design. Seeking an opportunity to leverage my skills in building intuitive and engaging user interfaces.

## Academic Qualification:

---

<b>B.Sc Computers</b> with 90% ( Rayalaseema University, Kurnool, AP )	2020 - 2023
<b>Intermediate</b> with 91% ( State Board, AP )	2018 - 2020
<b>SSC</b> with 82% ( State Board, AP )	2017 - 2018

## Technical Skills:

- 
- **Languages** : Python, JavaScript, SQL
  - **Front-End** : React.js, HTML5, CSS3, Bootstrap 5.0
  - **Version Control** : Git, GitHub

## Projects:

---

### E-Commerce Application:

- Developed a **single-page e-commerce application** using **React.js**, featuring a dynamic product catalog, shopping cart, and **secure user authentication**.
- Built the application using **class components** and managed state efficiently with **Context API** for global state management.
- Integrated **React Router** for seamless navigation and optimized performance for an enhanced user experience.
- Utilized **third-party libraries** to improve functionality and maintainability.
- **Technologies:** React.js

### Responsive Todo Application:

- Built a dynamic Todo application with features for task creation, editing, and deletion.
- Utilized local storage for persistent data across user sessions and ensured responsiveness on all devices.
- **Technologies:** JavaScript, HTML, CSS, Bootstrap

## Jobby App:

- Developed a job search platform with sections for job listings and details, integrating REST APIs for real-time data.
- Secured the application using JWT tokens and ensured seamless navigation and filtering functionality.
- **Technologies:** React.js

## Internship:

---

**Web Designing Intern:** National Computers |Offline | April 2023 – July 2023

- Gained hands-on experience in **JavaScript, HTML, CSS, and Bootstrap** contributing to the development of responsive, user-friendly websites.

## Certifications:

---

- React.js by NxtWave
- Python by NxtWave
- JavaScript by NxtWave
- Database by NxtWave
- Web Designing by National Computers

## Soft Skills:

---

- Excellent communication.
- Attention to detail and eagerness to learn new technologies and quick learning ability.

## Declaration:

---

I hereby declare that the above information is true to the best of my knowledge and belief.
